Shaping a Brighter, Greener Tomorrow.

COMPANY PROFILE
2026

SUNSHINE. PUT TO WORK.

Solar EPC for homes, businesses and ground-mounted projects.
Engineering, procurement, execution and care - connected.

ABOUT SOLIGNITE

Solignite Renewable Energy Pvt. Ltd. is an Ahmedabad-based solar EPC company serving residential rooftop clients and working across commercial and ground-mounted solar requirements. Our team connects business understanding, site coordination, procurement and on-ground execution.

OUR SOLAR SOLUTIONS

Residential rooftop solar
Assessment, design, installation and process guidance.

Commercial & industrial solar
Project-specific systems for operational energy needs.

Ground-mounted solar EPC
Site, civil, mounting and electrical coordination.

Operations & maintenance
Cleaning, inspections and maintenance planning.

Solar street lighting
Lighting, mounting and battery requirements review.

Solar water pumping
Source, head, flow and controller requirements review.
